Haryana government has launched a number of social welfare schemes in the state since October 2014 under the leadership of Manohar Lal Khattar. All the Haryana govt. schemes basically focus on the welfare of poor, women, children, old age and people belonging to economically weaker sections. Here we are providing you a complete list of 220+ Sarkari Yojana which are started by the state government and are still benefiting the people.

In the past 6 years, a total of 223 welfare schemes have been launched, out of which 48 are funded by the central government and 175 schemes are funded by the state government.
