Background

PMAY-U, launched in June 2015, is one of the major flagship programmes of Government of India to provide all-weather pucca houses to all eligible beneficiaries in the urban areas. Based on the learnings gathered during the implementation of the PMAY-U Scheme and, also to meet the housing requirements arising out of the increase in the number of eligible families, the Union Cabinet on 10th June 2024 resolved to provide assistance to 3 crore additional rural and urban households for the construction of houses. Subsequently, on 9th August 2024, the Union Cabinet, chaired by the Hon'ble Prime Minister Shri Narendra Modi, approved Pradhan Mantri Awas Yojana - Urban and Rural for the next 5 years.

In pursuance of the Hon'ble Prime Minister's vision, PMAY-U 2.0, will address the housing needs of 1 crore families, ensuring that every citizen leads a better quality of life. The Scheme will be implemented through following four verticals:

- Beneficiary Led Construction (BLC)
- Affordable Housing in Partnership (AHP)
- Affordable Rental Housing (ARH)
- Interest Subsidy Scheme (ISS)

PMAY-U 2.0 will achieve the vision of ‘Housing for All’ by fulfilling the housing dreams of EWS/LIG/MIG segments.
